## Questions for the Week of October 10

1. Looking back at your notes, was there anything you heard for the first time or something that caught your attention, challenged, or confused you?
2. Reading about Apollos, what trait about him stood out to you the most? Why?
3. Why is it important to grow both in knowledge and in enthusiasm in your faith? Do you lean in one direction or the other? What would increasing your knowledge or your enthusiasm in your faith look like in your life over the coming year?
4. How does humility spark us to greater growth and influence? How does a lack of humility stunt our growth and shrink our influence?
5. Think about your spiritual gifts, heart, abilities, personality, and experiences (S.H.A.P.E). What is something unique about you that others might not know about? Share with your group and how your S.H.A.P.E. has impacted how you serve God in your relationships, in the church, or in the community.
6. At the end of the message, Quintin asked each of us to complete a Bold Faith card. What is your Bold Faith move for your spiritual growth in the coming year? How about for your spiritual influence?
