## Questions for the Week of February 6

1. Who is the best storyteller you know and what draws you to them?
2. How has another person's personal experience encouraged you toward making a change or persevering toward a goal?
3. Pastor Brandon taught about Paul sharing his story in Acts 22. What stuck out to you from this passage?
4. Read Acts 26:1-23. What are a few of the things you notice about Paul before he encountered Christ? What do you notice about his life after he repents?
5. Our personal faith stories may not have a moment as dramatic as Paul's road to Damascus. But what similarities do you see between Paul's conversion and your own?
6. Share with the group specific ways you've seen God show up to in your life recently, either in your own spiritual life or in your interactions with others. Pray together for an opportunity to share a part of your story with your One Life this week.
