Questions for the Week of June 5

1. What is a nickname you had (or wish you'd had) growing up?
2. Read Revelation 3:7 and 3:12. How does knowing who Jesus is and what he has for those who faithfully follow him create hope in your life?
3. As Jesus talks to the seven churches in Revelation, multiple times he says, "I know your works." How does that affect how you think, how you feel, how you act?
4. Read Revelation 3:8. What does it look like in your life to keep God's word and not deny his name? Where would you like to see growth this summer?
5. How do you seek encouragement from God? What makes God's encouragement different from the encouragement from your community?
6. In this weekend's message Brandon said, "Trials come at us from every angle and if you live through them God's way, things always work out better." How has that been true in your life? Where has it been difficult to see the reality of that?
7. Revelation 3:11 starts, "I am coming soon." What would you do differently today if you knew Jesus was coming back tomorrow?
