## Questions for the Week of Aug. 21

1. Pastor Quintin spoke on “Becoming Faith Strong” from Revelation 13. For a moment, think about other areas of your life where you are strong. Share with others one of your strengths or an area of your life that is strong.
2. What stood out to you in the passage (Rev 13) and the message? What stretched, confused, challenged, motivated, or encouraged you?
3. Regarding spiritual warfare, Pastor Quintin talked about avoiding the extremes of being obsessed or being oblivious. Instead, we are called to be observant. What do you do to avoid the extremes, and yet remain spiritually vigilant for the health of your own soul -- your spiritual, ethical, and faith life?
4. What are some ways that you can build loyalty to Jesus and street smarts in a culture that often opposes biblical Christianity? Give specific examples of how to become faith strong.
5. How can your Life Group fortify one another when you face pressures to compromise your faith?
6. How does Revelation 13 help you as you seek to Love You Des Moines, and specifically the One Life that God has placed in your path? How can we more compassionately empathize with people in our culture?
