

FALL NEIGHBORING IS AS EASY AS

1.

Gather
friends together
and walk around your
neighborhood offering
to **RAKE LEAVES.**

2.

Plan a time
to carve (or paint!)
pumpkins in your driveway
with a group of neighbors.
Ask each family to bring
a pot of chili and
MAKE IT A PARTY!

3.

Invite
your neighbors
over to have a
CAMPFIRE in
your backyard!
