Questions for the Week of November 13

1. Share about a dream vacation, a dream room/home, a career dream, a life dream that you've not yet experienced, even a single day to experience, that you would enjoy! The dream can be simple or grandiose. Use your imagination.
2. What were your main takeaways from the message? What challenged, encouraged, confused, or strengthened you?
3. Pastor Quintin shared about how God fulfills our deepest longings in the new heavens and the new earth.
 - We dream about living forever.
 - We dream about perfect health and worldwide wholeness.
 - We dream about joyful and meaningful work.
 - We dream about seeing and reflecting God.
 - We dream about fulfilling our true purpose.

Which of these dreams stood out to you? Why?
4. Can you think about a book or movie that had the theme of someone chasing a dream? Did it inspire you? Or de-motivate you?
5. How can "earthly dreams" (career goals, physical fitness, financial security, personal goals) actually help us to align with God's kingdom advance? How can we bring the two together. (Also, how can earthly dreams potentially pull us away from kingdom priorities?)
6. What are some things that we will no longer need in heaven? What things will become obsolete?
7. Read 1 John 3:1-3. How does the future promise of seeing God face to face impact our day-to-day lives? How does it change our perspective and priorities?
8. How do the truths we've learned impact your own perspective? How does it change or motivate you in your relationships with people who do not yet know Christ? Or the One Life God has placed in your path.
9. What is one word that comes to your mind when you think about heaven?
