

MAKE YOUR MOVE ...

NEIGHBORING GAME TALKING POINTS

GET READY FOR FUN! We're thinking of neighboring as a game - not because it's trivial - far from it. In fact, for many of the people God has placed in our lives, eternity is literally at stake. It's one of the most important things we'll do during our years here on earth. And we think it should be a FUN adventure. When we neighbor in line with the way God has uniquely made us, we find more meaning, more purpose and WAY MORE FUN.

SIDE NOTE: Sometimes you might need to make a bold move, so it's normal to be anxiously excited to see how it works out. Feeling stretched is expected. But feeling miserable might be a sign that you're not neighboring in line with the way God made you.

YOU HAVE MORE CARDS THAN YOU THINK. This is just a small representation of all the cards you're working with. God has placed more people in your life that you haven't recognized yet. You have God-given passions, skills, and more experiences that you haven't jotted down on a card yet. May we have eyes to see all the cards God has given us to use for his glory.

EVERYBODY HAS A WINNING HAND. No two people are playing with the same deck of cards. God has uniquely equipped and placed each of us. None of it's an accident. We know He has given us everything we need to fulfill the calling to love our neighbors - each in our own unique way. So go ahead - *MAKE YOUR MOVE!*

PLAY ON! Yes, we'll fail sometimes. We'll make a gutsy move that doesn't shake out how we hoped. That's part of saying yes to neighboring. The only way to lose the game is to quit playing. We guarantee God's got big things in store when you faithfully neighbor. So, look at the cards you've got and make your next move!
