2. Describe “love” in your own words.
3. Why is it important for us to use the Bible as the source of our knowledge of love?
4. What’s one thing you learned about love tonight?
5. Can you share an example of how a middle schooler could show love to a fellow middle schooler? (in a non-romantic way)
6. What makes it challenging to love other people? In other words, why do we fail to love people sometimes?
7. What are some examples of being unloving toward others?
8. How can a person become more loving?
9. How would it impact your life and the people around you if you became more loving?
10. Read 1 John 4:9-10. What do we learn in this passage?
