## Small Group Night (March 27)

Small Group Leaders: You have an exciting opportunity to plan a special small group activity in lieu of regular Wednesday night programming on Wednesday, March 27! We would like you and your small group co-leaders to plan an activity with your small group on that night. We want to make planning as simple for you as possible.

Here are the steps so you can have an awesome night with your group:

1. You choose the specific time, details, and location. We will provide you with up to \$30 to help cover expenses. Just save the receipt and submit it to Joe or Jodi.
  
2. Here are your activity options:
  - a. Meet at the church building. There are various rooms available if you want to order pizza (use your \$30 budget), play games, and/or watch a movie. Email Joe or Jodi for availability.
  - b. Meet at the Valley Community Center. There are various rooms available if you want to order pizza (use your \$30 budget), play games, and/or watch a movie. Email Joe or Jodi for availability.
  - c. Use the gym at the Valley Community Center for active games. Email Joe or Jodi for availability.
  - d. Meet at the Jordan Creek Mall, hang out, and eat dinner in the food court. Have students bring money to pay for their own dinner and use your \$30 budget to pay for the leaders' dinner.
  - e. Meet at a small group leader or member's house for fun, games, dinner, and/or snacks.
  - f. Have parents drop off their kids at the church building or Valley Community Center, load up the church 15-passenger van, and take them somewhere fun. Permission slips are required if you

will be transporting students yourself. Email Joe or Jodi for van availability.

- g. Or come up with your own option!
3. Once you and your co-leaders have made plans, please communicate your plans with the parents of students in your small group. Michelle Sieber, the Student Ministries Administrative Assistant, will be emailing that information to you and your co-leaders soon.
    - a. Don't want to deal with emailing parents? Just email Joe or Jodi with your plans and we'd be happy to pass along that information to parents of students in your group!
  4. Please let us know what we can do to help! Thank you for taking advantage of this fun opportunity.
