

Leader Announcements

February 18, 2026

Hi, middle school volunteers. These are the volunteer announcements for Wednesday, February 18, 2026.

Formal Night

This Wednesday is Formal Night. Since we're not doing a special event where we dress up in formal wear this year, we wanted to offer this opportunity this Wednesday. It's optional, but if you and students would like to, you have the option of dressing up in formal wear this Wednesday night just for something fun and unique and different.

Heart To Heart Series

This Wednesday is also week three of our heart to heart series, and we are going to talk about God's design for sex. Next week, week four, we're going to talk about gender, and week five, we're going to talk, we're going to split guys and girls and talk about some guy stuff with the guys and some girl stuff with the girls. And we're going to have some leader q&a during that week five with the guy girl night as well. I want to encourage you to review the ["How to be An Awesome Leader During the Heart to Heart Series"](#) document. I think that would be a great thing, especially heading into this week three, where we talk about God's design for sex.

New Format

We're going to continue experimenting with our new Wednesday night format. This Wednesday, you're going to be in a different location. And you're probably also going to have a different schedule than you've had the last couple of weeks. So in other words, you're going to probably have a different rotation of teaching, and now teaching announcements game and small group, it'll be mixed up this week.

Super Saturday: March 7

Our next middle school special event is on Saturday, March seven. And it's called super Saturday. It's a fast food progressive dinner where we go to different fast food restaurants on a bus and eat different foods just for fun. And then we'll come back to the community center. And we're going to empower our middle schoolers to share the gospel and have gospel conversations with their friends. So this is an outreach event, we want to encourage students to invite their friends who don't know Jesus, those friends are going to have a chance to hear about Jesus. And and then we'll we'll end the night with some dessert at the community center, and just some fun time in the gym, as well.

Leader Tip

For the leader tip. This week, I want to remind you that as Christians, and as we read Scripture, what we find is that God cares about all of you. In other words, he cares about your mind, he cares about your soul, your spirit, your your thoughts, your your actions, and your body. There are many who falsely think that there is a separation between our bodies and our spirits or our bodies and our souls, and that our soul is good, but our body is bad. But I think correct Christian theology would say that God cares about all of us, which includes our bodies. God cares about our bodies. And I say that as, as we're getting into this heart to heart series. That's one of the reasons why we're talking about this topic, because God cares about all of us, which includes how we use our bodies. So be good stewards of what the Lord has given you. We're called to honor God with our bodies because we are a temple of the Holy Spirit. That's what I got for this week.

Thank You!

Thanks for all that you do. And we will see you this Wednesday night.
Thank you.
